PRASHANTH VELU V

ABOUT ME

I aim to enhance the overall quality of life within the community by leveraging my comprehensive knowledge and technical expertise in digital marketing. By collaborating closely with diverse, cross-functional teams, I strive to deliver innovative and efficient projects that create meaningful, lasting impact. I firmly believe that digital marketing has the power to instill a sense of optimism and confidence in shaping a better future and I am committed to using these skills purposefully to drive positive change, both professionally and within the communities I serve.

EDUCATION

- Digital Marketing & Business Analysts** 2024 - 2024
Digital Communication and Media/Multimedia In KGiSL Micro College
 - Develop and execute digital marketing strategies aligned with company goals.
 - Lead and mentor a high-performing marketing team, fostering collaboration and results.
 - Ensure brand consistency across all marketing channels and materials.
- Sri Ramakrishna Engineering College** 2021 - 2024
BE in Civil Engineering

PROJECTS

2025

- Experienced in social media marketing, marketing research, and content strategy, with hands-on project work including Swiggy market research, content marketing for Eco-Grove, and social media optimization for Coimbatore Culinary Delights. Skilled in copywriting and content writing, having worked on influencer marketing and endorsements, a digital marketing strategy for a contemporary fabric brand (Textile Tales), video scripts for multiple brands, copywriting for Ariro Toys, ad copy for Beyond Water, and a social media strategy for an event management brand.

2026

- Project: Marketing Research & GTM Automation with Clay
- Utilized Clay, a data enrichment and GTM automation platform, to run AI-powered marketing research across multiple brands, aggregating prospect data and scaling personalized outreach without engineering support. Also gained hands-on experience executing a Meta Ads campaign as part of the initiative.

WORK EXPERIENCE

Promanage.biz (2024 – Present)

Digital Customer Executive | 2 Years

- Managed end-to-end digital presence for a diverse portfolio of leading international and Indian brands, including DavaIndia Pharmacy, Apollo Pharmacy & Hospitals, Specsmaakers, TAFE, Aditya Birla Fashion and Retail, Medall, iPlanet, Gofix, Elite Fits, and Nibav Lifts.
- Handled business listings and online presence management across multiple platforms Google Business Profile, Meta Business Suite, Bing Places, and MapmyIndia ensuring accuracy, consistency.
- Provided strategic recommendations to improve online presence and strengthen Google visibility, contributing to measurable growth in brand reach and local engagement.
- Collaborated with cross-functional teams and client stakeholders to resolve listing issues, optimize profiles, and drive continuous improvement in digital performance.

Business Analyst officer in RPT PRIVATE LIMITED (2023 - 2024)

Worked as an intern in the role of Business Analyst Officer at RPT Pvt. Ltd., handling property loan processing.

Numa Bengaluru Innovations Private Limited (2022 - 2022)

Worked as a Digital Support Engineer on a large-scale project involving a water management system, as part of the KOVAI INNOVATE PROGRAM.

GOVERNMENT PROJECT (UBA PROJECT) (2023 - 2023)

As part of the UBA-supported Live-in Lab project, I was involved as a structural engineer in constructing a check dam in a tribal village to address environmental and community needs — the dam helps combat soil erosion while providing clean water for both the tribal community and local wildlife.
